

Pewter Platter Sin

Steve Owings knows some of this, but I felt that I should share more with you Elders on what I shared Sunday morning.

Elizabeth came over and said "I was blown away with what you said because I dreamt the same thing (Thursday nite)". Confirmation!

Then last night (Wed) on 'Dreams' Steve asked everyone to tell about a dream they had in the last week and Linda & Taylor helped interpret. There were at least a couple more besides Elizabeth that were similar - one of them (Doug Ford) wasn't at church Sunday so that is another strong confirmation for sure!

The enemy was serving sin on a pewter platter. So I looked up pewter in the Divinity Code and it said "Pewter: (1) Wickedness (dross); (2) Spiritually poor." More correlation!

Tuesday at 133 prayer I asked the Lord "what does this really mean?" I got that God was sovereignly going to actually change peoples hearts to Him! We had humanly tried everything that we knew and it wasn't really being successful! After all, he visits Muslims in Dreams - His arm is not too short!

Layne and I know that I am able to see out at least one and a half years. So, if I'm correct, I would suspect that this is going to happen in the next 1 1/2 years or so - roughly could be by Feb. 2021! This is super exciting to me!

So what do the rest of you prophetic types think of this? Agree, disagree, rebuke?
