

DREAM - (tue morning) 7/14/20 - Violent Shaking in the Fall

I was standing in a huge grove of trees. As far as I could see, all I saw was trees. As I looked in one direction, what I felt to be north, I noticed that the leaves on the trees were not green, they were starting to turn colors as if it were the beginning of fall. I turned around and looked the other way, noticing that the color of the leaves were bright in color, as if it were mid to late fall. All of the trees were completely full and there were not many (if any) leaves on the ground. SUDDENLY... a violent shaking took place, the ground under my feet shook as I set my feet underneath me to make sure I could balance. The trees began shake so violently that the leaves were falling, flying, and blowing all over the place. The wind picked up and was blowing at storm type levels. I felt the Lord all over the shaking, almost as if he was the shaking itself. I remember thinking to myself, ' this is like WW3, absolute chaos, craziness all around me. ' With all of this turbulence and shaking, it was amazing that I was at complete peace... simply standing in the middle of the tree grove... in the midst of everything swirling around me.

I awoke - my heart was racing, I was sweating, and the holy reverent fear of God consumed me.

Revelation / Interpretation:

Each and everyone of us has been intentionally created, fashioned, and designed for such a time as this, "I have placed you where you stand for a purpose. Whether you stand in peace or in the midst of chaos, I am with you." I am releasing a new strength to the Body of Christ in this hour, to prepare the bride for what comes next.

Between the first frost of the season and the last leaf falling to the ground, there will be a violent shaking. This shaking will be of a different measure than that of the past and will bring increased tension, violence, and turbulence.

"I am about to shine heavens light into the darkest places of earth. No longer will things in the darkness remain hidden, they will be revealed by the light (2Cor4:6). Some will run from the light as they don't recognize the source, yet others will be drawn to it for there was a seed planted that cannot be denied, springing forth (Eph5:14)."

- Groups and organizations with agendas that do not align with heavens agenda will be uprooted.
- Scandalous (sin-filled) activity will be revealed. I see Washington DC, Hollywood, London, NYC. The names of people and organizations, some of which are very well known, will shock america and the world.. as shame will replace fame. Some will go into hiding and others will boldly profess their innocence (Gen3:7).
- Churches will close at alarming rates and bring new meaning to the term M&A (Merger&Acquisition). There will be consolidation of churches and bodies, for those that stewarded well the little, will now be given a lot (Mat25:23, Luk16:10). These will become the apostolic centers of power and authority that people will flock to times of desperation.

- I see certain forms of media being shut down, cut off, no longer available... for the sake of the peoples safety.
- Media will not be reporting the news, they'll be making the news, almost as if they are creating the news itself. "my light will bring justice"
- The protests will continue - BLM will not be the central focus as multiple 'political hot topics' will surface and create tension. The riots, looting, vandalism, and senseless acts of violence will fill the streets and neighborhoods (Ezk38:11-13).
- COVID was a bio-attack but there is a new attack coming (I see electric wires with frayed ends touching and sparking). I sense a Cyber attack of some sort is coming, it will hold us ransom to data, day-to-day living, and the functioning of the country.. or portions of it.

Just as the leaves on the trees represent the healing of nations (Rev22:2), the falling of the leaves represents the falling of nations. Tension, disunity, and quarreling amongst nations will bring uncertainty of trust between nations, even those that are the best of allies. The United Nations will become the Un-United Nations and will require repentance and reconciliation before the restoration process can start.

"with every fight comes the opportunity for healing"

I hear the Lord saying, "Whatever can be shaken... will be shaken".
(Hag2:6-9)

** I am recalling a word the Lord spoke to me on February7th, 2020 (see below). As my flight took off from Dulles-to-Chicago, the flight attendant came on the overhead and said, "please stay seated with your seatbelts fastened, we will be experiencing turbulence upon take off today... ". I was looking out the window, looking down upon DC, and the turbulence started as the plane was in fact experience turbulence. I heard the Lord say, "There is going to be turbulence before the clear skies" .. He went on to impress to me, "There is a violent shaking that will take place in my city of Government". Impressing upon me that the shaking would be good, some things that are temporal must fall, before the things that God meant to stay will remain (eternal). **

- I see a conspiracy of sorts around/about the election that will spur fever-pitched fighting between parties, senators, congressmen, etc.
- The election is a ticking time bomb, almost as if the election itself is a catalyst to the shaking.
- The government will need to shut down for a period of time from the shaking that is taking place.
- I hear the Lord saying, "agenda driven campaigns will not be tolerated"
- "I have already elected and appointed my king"

Be encouraged - Those that have built their governments, their homes, their lives, their families, their faith on solid foundations will remain intact ... but those that have built on sand, soft soil,

unstable ground will crumble under the pressure of what is to come (Mat7:24-27). It is not too late, whether you showed up in the first hour or come to the Lord in the 11th hour, you will be received as you call on his name. For we like the treasure in the jars of clay that God's word speaks of, showing the all-surpassing power that we carry is from God and not from us. You may feel hard pressed on every side, but you are not crushed; perplexed, but not in despair; persecuted, but not abandoned; struck down, but not destroyed, Shaken but not moved (2Cor4:7-9).

For those that have built on solid foundations, be encouraged! The church, the body, the bride.. this is your divine appointed hour to rise up, to show love, and to shine light. This is what you were created for, to be the light to those that have lost their way in the chaos and shaking of this world.

God is purging the church in this season, the things that are being removed were to meant to be there in the first place, it was not God's design to have the world infiltrate his children but for his children to infiltrate the world.

Heb12:25-29

²⁵ See to it that you do not refuse him who speaks. If they did not escape when they refused him who warned them on earth, how much less will we, if we turn away from him who warns us from heaven? ²⁶ At that time his voice shook the earth, but now he has promised, "Once more I will shake not only the earth but also the heavens." ²⁷ The words "once more" indicate the removing of what can be shaken—that is, created things—so that what cannot be shaken may remain.

²⁸ Therefore, since we are receiving a kingdom that cannot be shaken, let us be thankful, and so worship God acceptably with reverence and awe, ²⁹ for our "God is a consuming fire."

This is the moment in time, the Kairos moment, that you transition from being an overcomer to being more than a conquerer.

"You may feel the shaking but you will not be moved"

"There is a shaking coming in the Fall - but my children will not Fall"

"I put you in the world but you are not of it"

"Rise up, awaken my children, its time to shine!"

February 7th, 2020 - There will be shaking in my city of Government

I was in Washington DC with Karl and Jonathan for the Blu Venture Summit. They were flying out of Dulles to go back to CO... I flew out of Baltimore to head to MN to be with Dad and Mom and help.

As we were taking off, the pilot came on the system and said that there was going to be some turbulence but it would subside as we ascended higher.

I was looking out the window, looking down upon DC, and the turbulence started. I heard the Lord say, “There is going to be turbulence before the clear skies” .. He went on to impress to me, “There is a violent shaking that will take place in my city of Government”. Impressing upon me that the shaking would be good, some things that are temporal must fall, before the things that God meant to stay will remain (eternal).

*** When landed in Chicago ORD for layover.. before going to MSP .. I was on a Zoom call with Richie Seltzer and a bunch of people. I shared what I heard and I saw on this call, prophesying the shaking and turbulence that was to come.

We Must Prepare, Prepare a way, Prepare the way, Prepare accordingly, preparation for what is to come.

Haggai 2:6-9

“This is what the Lord Almighty says: ‘In a little while I will once more shake the heavens and the earth, the sea and the dry land. 7 I will shake all nations, and what is desired by all nations will come, and I will fill this house with glory, ’ says the Lord Almighty. 8 ‘The silver is mine and the gold is mine,’ declares the Lord Almighty. 9 ‘The glory of this present house will be greater than the glory of the former house,’ says the Lord Almighty. ‘And in this place I will grant peace, ’ declares the Lord Almighty.”

v6 This shaking is another way of speaking ‘the day of the lord’. The purpose of the ‘day of the lord’ is to PREPARE the earth for the glorious reign of Jesus Christ. ‘I will shake the heavens and the earth’ - 1st & 2nd heaven (3rd heaven too?).

v9 Glory of THIS house/temple will be greater than the latter glory in the temple/house. It will bring peace.
